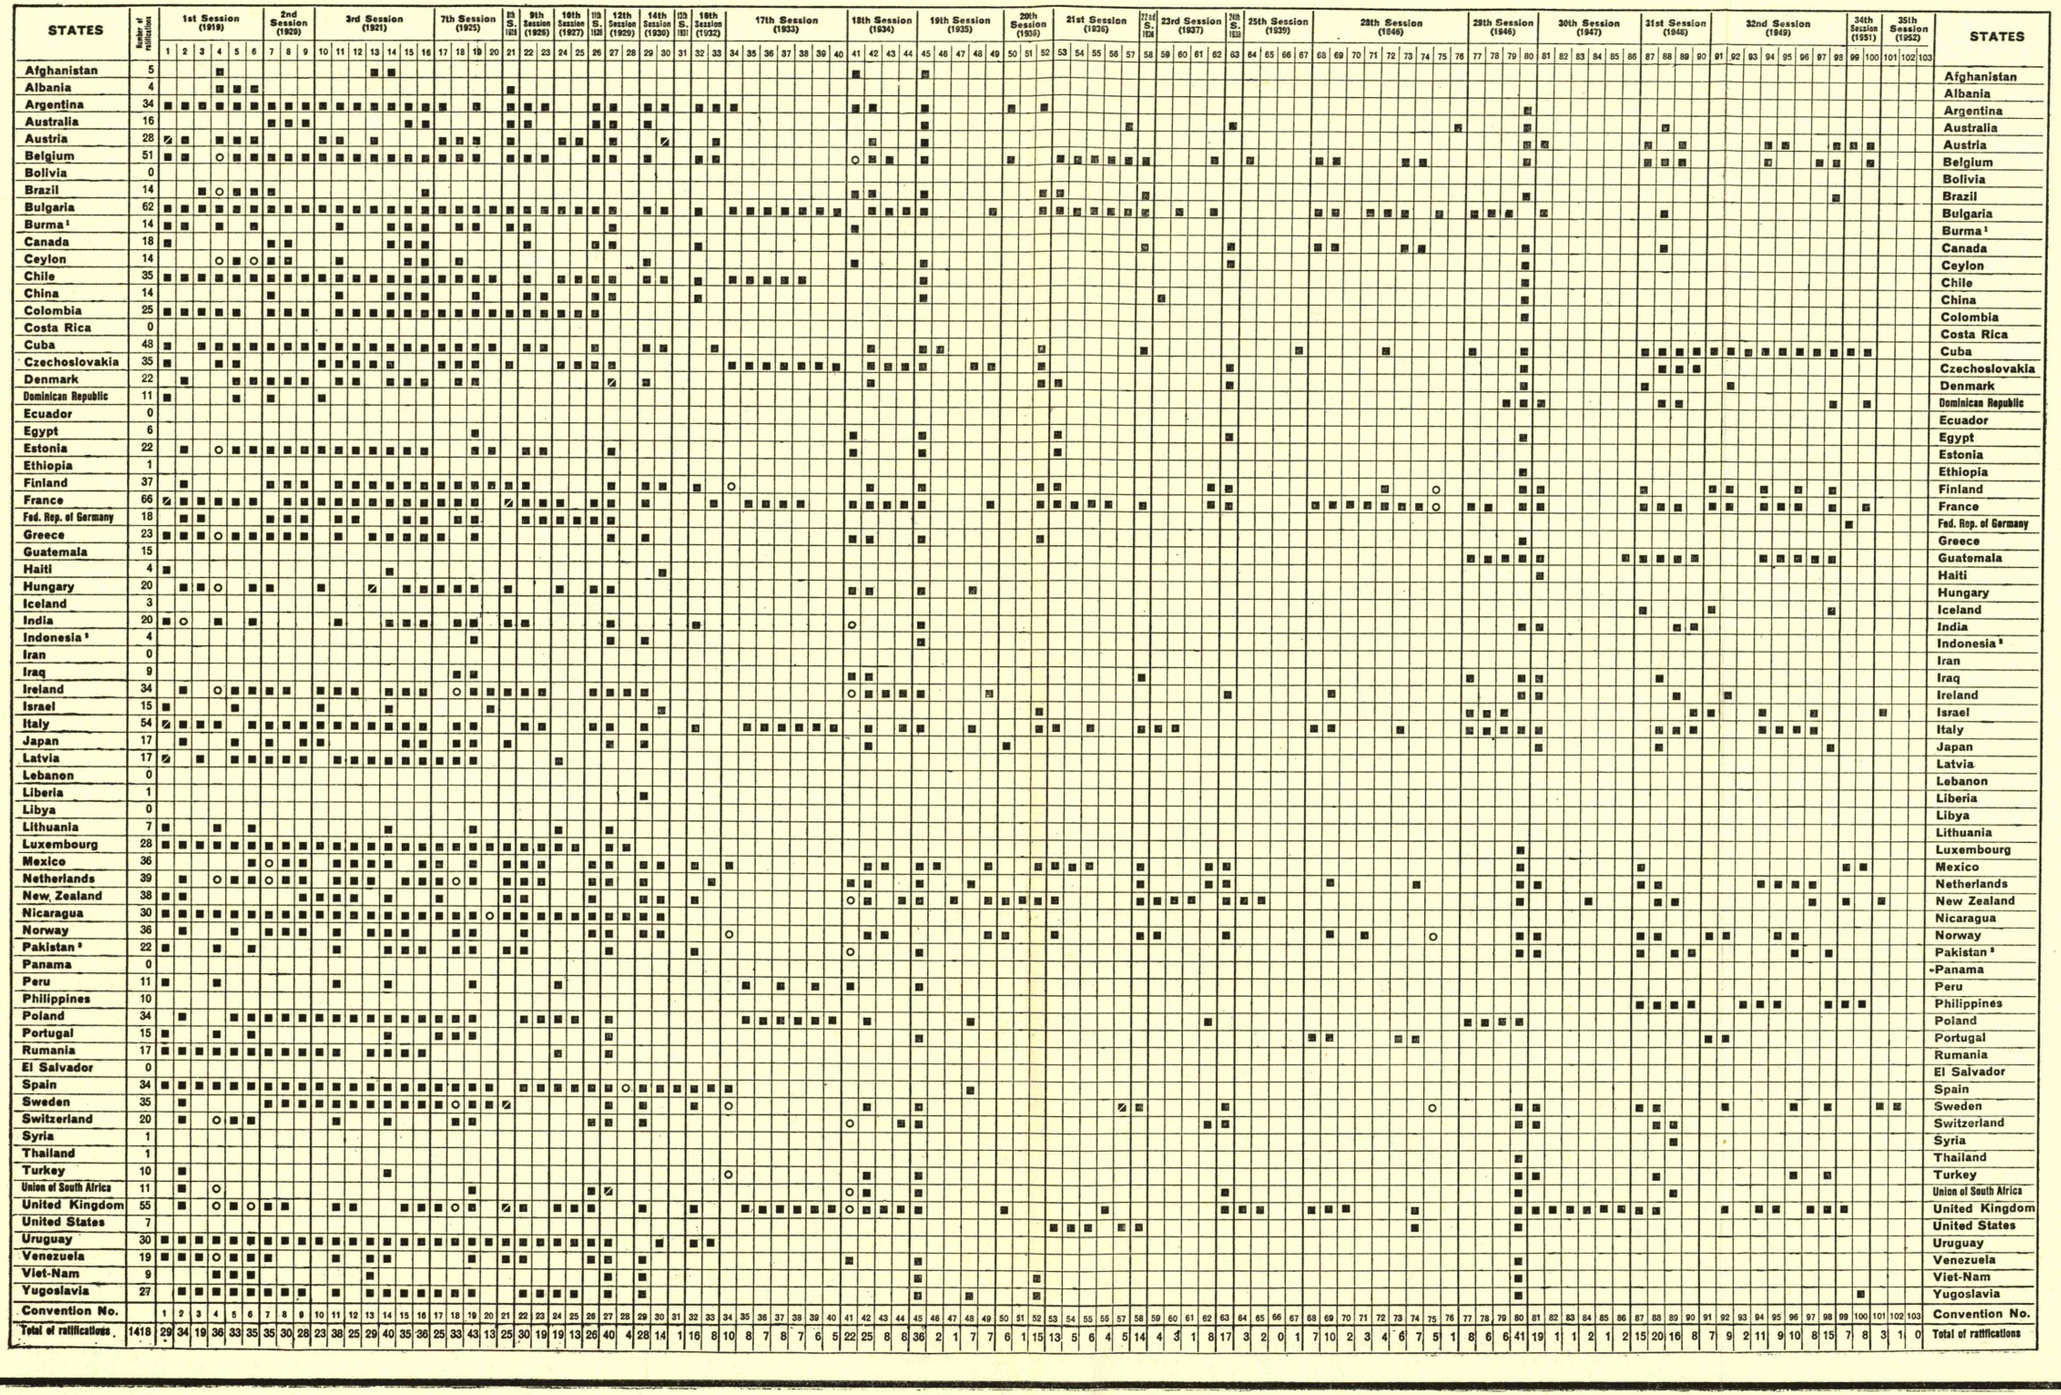
This chart lists all the ratifications communicated at any time since the establishment of the International Labour Organisation without regard to the current legal position of the State having communicated the ratification, which, in certain cases, presents problems on which the I.L.O. is not competent to express an opinion.

INTERNATIONAL LABOUR CONVENTIONS

CHART OF RATIFICATIONS

1 March 1954

■ Ratifications registered including Conventions which States have undertaken to implement in virtue of a previous ratification by a State of which they formed a part.

▨ Conditional ratifications registered.


○ Ratifications denounced.
