

THE HISTORY OF THE

of the world, and the progress of the human mind, from the earliest times to the present day. The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it. The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it.

The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it. The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it.

The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it. The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it.

The history of the world is a long and varied one, and it is the duty of every citizen to know something of it. The progress of the human mind is a slow and steady one, and it is the duty of every citizen to know something of it. The history of the world is a long and varied one, and it is the duty of every citizen to know something of it.
