

THE HISTORY OF THE

100

The first part of the history of the
 world is the history of the
 human race. It is a history of
 progress and of the struggle
 for existence. It is a history
 of the triumph of the good
 over the evil, of the just
 over the unjust, of the
 true over the false. It is a
 history of the growth of
 civilization and of the
 development of the human
 mind. It is a history of the
 progress of the human race
 from the lowest to the
 highest stage of civilization.
