THE HISTORY OF THE COUNTY OF MIDDLESEX

The history of the County of Middlesex is a subject of great interest and importance. It is a county of great antiquity, and its history is full of interest and variety. The county was first mentioned in the Domesday Book in 1086, and since that time it has been the seat of many important events. The county is bounded on the north by the City of London, on the east by the County of Kent, on the south by the County of Surrey, and on the west by the County of West Surrey. The county is divided into several parishes, and each parish has its own history and traditions. The county is also divided into several hundreds, and each hundred has its own history and traditions. The county is a county of great antiquity, and its history is full of interest and variety.
