

- (10) The Danish contingent shall be entitled to carry on direct and uncensored communication with Denmark by post, wire, and wireless (including the use of their own cyphers). For this purpose, the British authorities will give the necessary concessions for static signals, frequencies, and despatch routes.
- (11) The Danish contingent shall be entitled to maintain communication by air between Denmark and an airfield which is close to the location of the Danish contingent in the British zone of Germany, under arrangements to be agreed between the Commander of the Danish Contingent and the British Military Governor.

If you agree, this Note together with your reply shall constitute an agreement between the Government of the United Kingdom and the Danish Government on the terms set forth above. This Agreement shall come into force upon notification by the Royal Danish Government to the Government of the United Kingdom that the Agreement has been approved by the Danish Parliament, and shall then have effect as if it has come into force on the 15th December, 1948."

On behalf of the Royal Danish Government I agree that your note together with this reply shall constitute an agreement between our respective Governments and that this Agreement shall come into force upon notification by the Royal Danish Government to the Government of the United Kingdom that the Agreement has been approved by the Danish Parliament, and shall then have effect as if it has come into force on the 15th December, 1948.

I avail myself of this opportunity to assure you of my highest consideration.

10. Det danske kontingent skal have ret til at opretholde direkte og uzensureret forbindelse med Danmark per post, telegraf og radio (omfattende ret til brug af egne koder). I dette øjemed skal de britiske myndigheder give de nødvendige tilladelser til statiske signaler, frekvenser og forsendelsesruter.
11. Det danske kontingent skal have ret til at opretholde forbindelse ad luftvejen mellem Danmark og en flyveplads i nærheden af det danske kontingents område i den britiske zone i Tyskland i henhold til en ordning, der vil være at aftale mellem chefen for det danske kontingent og den britiske militærgouvernør.

Hvis De er enig heri, skal denne note og Deres svar udgøre en overenskomst mellem regeringen i det Forenede Kongerige og den danske regering på de ovennævnte vilkår. Denne overenskomst træder i kraft, når den kgl. danske regering meddeler det Forenede Kongeriges regering, at overenskomsten er blevet godkendt af den danske rigsdag, og den har da virkning, som om den var trådt i kraft den 15. december 1948."

På den kgl. danske regerings vegne erklærer jeg mig enig i, at Deres note sammen med mit svar udgør en overenskomst mellem vore respektive regeringer, og at denne overenskomst træder i kraft, når den kgl. danske regering meddeler det Forenede Kongeriges regering, at overenskomsten er blevet godkendt af den danske rigsdag, og har da virkning, som om den var trådt i kraft den 15. december 1948.

Jeg benytter denne lejlighed til at forsikre Dem om min mest udmærkede højsagtelse.
