

*E - Incidental Services.*

In addition to the services specified in paragraphs A, B, C and D above, the ocean station vessels shall perform such incidental services as may be required, on the understanding that the performance of such services does not involve any appreciable addition to the obligatory personnel and equipment carried. These incidental services include:

- (a) collection and retransmission of reports of observations from merchant ships when practicable;
- (b) any supplementary air traffic control functions which may be prescribed.

*F - Other Services to be performed in connection of Ocean Station Vessels.*

The Contracting Governments shall use their best endeavours to facilitate the inclusion, in the observational programme of the ocean station vessels, of such oceanographical and other scientific observations as may be found desirable.

*E - Anden tjeneste.*

Ud over de i ovennævnte stykker A, B, C og D angivne tjenester skal stationsskibene yde sådan anden tjeneste, som måtte være nødvendig, idet det dog forudsættes, at ydelsen af sådanne tjenester ikke medfører nogen større yderligere belastning af det obligatoriske personel og udstyr om bord. Sådan anden tjeneste omfatter:

- (a) Indsamling og videregivelse af observationsmeldinger fra koffardiskibe, når dette er muligt;
- (b) alle supplerende flyveledelsesfunktioner, som måtte blive foreskrevet.

*F - Andre tjenester der vil være at udføre i forbindelse med driften af stationsskibene.*

De kontraherende regeringer skal bestræbe sig for at medtage sådanne oceanografiske og andre videnskabelige observationer i stationsskibenes observationsprogram, som måtte skønnes formålstjenligt.
