

The following is a list of the members of the American Medical Association for the year 1911-12. The list is arranged in alphabetical order of the members' names. The names are followed by their respective addresses and the names of their respective state or territorial associations. The list is divided into two columns, with the names of the members in the first column and their addresses in the second column. The names of the state or territorial associations are listed at the end of each column.
