¹ On models with one fold (if so folded that the front page is not a model page) and on models with two folds, this entry may be placed on the front page.

² Enter the State's name or distinguishing sign, as defined in Annex 3 to this Convention. Note 1 above applies to this box also.

³ Father's or husband's name may be inserted here.

⁴ If date of birth is unknown, state approximate age on date of issue of permit.

⁵ If place of birth is unknown, leave blank.

⁶ "Or thumbprint". The signature or thumbprint, and the space for them, may be omitted.

⁷ This entry is optional on permits including model page No. 3.

⁸ Signature and/or seal or stamp of the authority issuing

the permit or of the association empowered to do so. On folded models with one fold (if so folded that the front page is not a model page) and on models with two folds, the seal or stamp may be placed on the front page.

⁹ Seal or stamp of the authority issuing the permit, and, if required, the date when the seal or stamp was affixed. This seal or stamp shall be affixed in the right-hand column on model page No. 2, beside the definitions of the categories of vehicles, and only opposite those for which the permit is valid; the same provisions shall apply in the case of the information concerning renewals to be recorded in the right-hand column on model page No. 3.

Contracting Parties may, instead of affixing a seal or stamp in the right-hand column on model page No. 2, enter under a new item 8: "Categories", on model page No. 1, the letter or letters for the category or categories for which

the driving permit is valid and an asterisk for each category for which the permit is not valid (for example: "8. Categories A, B***").

¹⁰ Space reserved for other categories of vehicles as defined by domestic legislation.

¹¹ Space for additional remarks, if any, by the competent authorities of the issuing State, including restrictive conditions of use (for example, "Must wear corrective lenses", "Valid only for driving vehicle No.", "Vehicle must be equipped to be driven by a one-legged person"). In the case provided for in the second sub-paragraph of note 9 above, these additional remarks should preferably be entered on model page No. 1.

Other remarks may be entered on pages other than model pages.
