

- (c) 1 tonne of a chemical listed in Schedule 2, part B.
4. Each State Party shall submit:
- (a) Initial declarations pursuant to paragraph 3 not later than 30 days after this Convention enters into force for it; and, starting in the following calendar year;
 - (b) Annual declarations on past activities not later than 90 days after the end of the previous calendar year;
 - (c) Annual declarations on anticipated activities not later than 60 days before the beginning of the following calendar year. Any such activity additionally planned after the annual declaration has been submitted shall be declared not later than five days before this activity begins.
5. Declarations pursuant to paragraph 3 are generally not required for mixtures containing a low concentration of a Schedule 2 chemical. They are only required, in accordance with guidelines, in cases where the ease of recovery from the mixture of the Schedule 2 chemical and its total weight are deemed to pose a risk to the object and purpose of this Convention. These guidelines shall be considered and approved by the Conference pursuant to Article VIII, paragraph 21 (i).
6. Declarations of a plant site pursuant to paragraph 3 shall include:
- (a) The name of the plant site and the name of the owner, company, or enterprise operating it;
 - (b) Its precise location including the address; and
 - (c) The number of plants within the plant site which are declared pursuant to Part VIII of this Annex.
7. Declarations of a plant site pursuant to paragraph 3 shall also include, for each plant which is located within the plant site and which falls under the specifications set forth in paragraph 3, the following information:
- (a) The name of the plant and the name of the owner, company, or enterprise operating it;
 - (b) The name of the chemical and the name of the manufacturer;
 - (c) The quantity of the chemical produced, stored, or used at the plant site during the calendar year;
 - (d) The quantity of the chemical destroyed, recycled, or otherwise disposed of during the calendar year;
 - (e) The quantity of the chemical transferred to or from other plant sites during the calendar year;
 - (f) The quantity of the chemical transferred to or from other States during the calendar year;
 - (g) The quantity of the chemical transferred to or from other countries during the calendar year;
 - (h) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (i) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (j) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (k) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (l) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (m) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (n) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (o) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (p) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (q) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (r) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (s) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (t) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (u) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (v) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (w) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (x) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (y) The quantity of the chemical transferred to or from other States or countries during the calendar year;
 - (z) The quantity of the chemical transferred to or from other States or countries during the calendar year;
- c) 1 ton af et kemikalie opført på liste 2, del B.
4. Enhver deltagende stat skal afgive:
- a) indledende erklæringer i henhold til stk. 3 senest 30 dage efter, at denne konvention er trådt i kraft for dens vedkommende, samt fra det følgende kalenderår at regne
 - b) årlige erklæringer om udført virksomhed senest 90 dage efter udløbet af det foregående kalenderår;
 - c) årlige erklæringer om forventet virksomhed senest 60 dage inden det følgende kalenderårs begyndelse. Al sådan yderligere virksomhed, der planlægges efter afgivelsen af den årlige erklæring, skal deklareres senest fem dage inden påbegyndelsen heraf.
5. Erklæringer i henhold til stk. 3 kræves i reglen ikke for blandinger, der indeholder en lav koncentration af et liste 2-kemikalie. De kræves kun, i overensstemmelse med nærmere retningslinier, i tilfælde, hvor muligheden for at genindvinde liste 2-kemikaliet fra blandingen samt dettes samlede vægt skønnes at udgøre en risiko for denne konventions hensigt og formål. De nævnte retningslinier skal behandles og godkendes af Konferencen i henhold til artikel VIII, stk. 21 i).
6. Erklæringer om et fabriksanlæg afgivet i henhold til stk. 3 skal indeholde oplysning om:
- a) navnet på fabriksanlægget samt på ejeren, selskabet eller foretaget, der driver det;
 - b) dets nøjagtige beliggenhed, herunder adresse; og
 - c) antallet af fabrikker inden for fabriksanlægget, som er deklareret i henhold til del VIII i dette bilag.
7. Erklæringer om et fabriksanlæg afgivet i henhold til stk. 3 skal endvidere for hver enkelt fabrik, der er beliggende inden for fabriksanlægget, og som falder ind under de i stk. 3 anførte specifikationer, indeholde følgende oplysninger:
- a) Navnet på fabrikken samt på ejeren, selskabet eller foretaget, der driver den;
 - b) navnet på kemikaliet og kemikalietype;
 - c) mængden af kemikaliet produceret, opbevaret eller brugt på fabriksanlægget i kalenderåret;
 - d) mængden af kemikaliet ødelagt, genbruges eller ellers fjernes i kalenderåret;
 - e) mængden af kemikaliet overført til andre fabriksanlæg i kalenderåret;
 - f) mængden af kemikaliet overført til andre lande i kalenderåret;
 - g) mængden af kemikaliet overført til andre lande i kalenderåret;
 - h) mængden af kemikaliet overført til andre lande i kalenderåret;
 - i) mængden af kemikaliet overført til andre lande i kalenderåret;
 - j) mængden af kemikaliet overført til andre lande i kalenderåret;
 - k) mængden af kemikaliet overført til andre lande i kalenderåret;
 - l) mængden af kemikaliet overført til andre lande i kalenderåret;
 - m) mængden af kemikaliet overført til andre lande i kalenderåret;
 - n) mængden af kemikaliet overført til andre lande i kalenderåret;
 - o) mængden af kemikaliet overført til andre lande i kalenderåret;
 - p) mængden af kemikaliet overført til andre lande i kalenderåret;
 - q) mængden af kemikaliet overført til andre lande i kalenderåret;
 - r) mængden af kemikaliet overført til andre lande i kalenderåret;
 - s) mængden af kemikaliet overført til andre lande i kalenderåret;
 - t) mængden af kemikaliet overført til andre lande i kalenderåret;
 - u) mængden af kemikaliet overført til andre lande i kalenderåret;
 - v) mængden af kemikaliet overført til andre lande i kalenderåret;
 - w) mængden af kemikaliet overført til andre lande i kalenderåret;
 - x) mængden af kemikaliet overført til andre lande i kalenderåret;
 - y) mængden af kemikaliet overført til andre lande i kalenderåret;
 - z) mængden af kemikaliet overført til andre lande i kalenderåret;
