

- (b) In the case of any other offence the authorities of the receiving State shall have the primary right to exercise jurisdiction.
- (c) If the State having the primary right decides not to exercise jurisdiction, it shall notify the authorities of the other State as soon as practicable. The authorities of the State having the primary right shall give sympathetic consideration to a request from the authorities of the other State for a waiver of its right in cases where that other State considers such waiver to be of particular importance.

4. The foregoing provisions of this Article shall not imply any right for the military authorities of the sending State to exercise jurisdiction over persons who are nationals of or ordinarily resident in the receiving State, unless they are members of the force of the sending State.

5.

- (a) The authorities of the receiving and sending States shall assist each other in the arrest of members of a force or civilian component or their dependents in the territory of the receiving State and in handing them over to the authority which is to exercise jurisdiction in accordance with the above provisions.
- (b) The authorities of the receiving State shall notify promptly the military authorities of the sending State of the arrest of any member of a force or civilian component or a dependent.
- (c) The custody of an accused member of a force or civilian component over whom the receiving State is to exercise jurisdiction shall, if he is in the hands of the sending State, remain with that State until he is charged by the receiving State.

6.

- (a) The authorities of the receiving and sending States shall assist each other in the carrying out of all necessary investigations into offences, and in the collection and production of evidence, including the seizure and, in proper cases, the handing over of objects connected with an offence. The handing over of such objects may, however, be made subject to their return within the time specified by the authority delivering them.

- (b) Forsåvidt angår enhver anden lovovertredelse, skal modtagerlandets myndigheder have fortørnsret til at udøve jurisdiktion.
- (c) Dersom det land, der har fortørnsret, beslutter sig til ikke at udøve jurisdiktion, skal det snarest muligt underrette det andet lands myndigheder herom. Myndighederne i det land, som har fortørnsret, skal velvilligt overveje en af myndighederne i det andet land fremsat anmodning om at ville frafalde denne ret i tilfælde, hvor det andet land anser et sådant afgang for særligt betydningsfuldt.

4. Foranstående bestemmelser i nærværende artikel hjemler ikke afsenderlandets militære myndigheder nogen adgang til at udøve jurisdiktion over personer, der er statsborgere i eller har fast bopæl i modtagerlandet, medmindre de er medlemmer af afsenderlandets styrker.

5.

- (a) Modtagerlandets og afsenderlandets myndigheder skal på modtagerlandets territorium bistå hinanden med anholdelse af medlemmer af en styrke eller af et civilt element eller disse pårørende og med deres udlevering til den myndighed, som skal udøve jurisdiktion i overensstemmelse med foranstående bestemmelser.
- (b) Modtagerlandets myndigheder skal straks underrette afsenderlandets militære myndigheder om enhver arrestation af et medlem af en styrke eller af et civilt element eller en pårørende.
- (c) Dersom et medlem af en styrke eller et civilt element, over hvem modtagerlandet agter at udøve jurisdiktion, er i afsenderlandets forværing, skal han forblive i dette lands varetægt, indtil der af modtagerlandet er rejst forundersøgelse eller tiltale imod ham.

6.

- (a) Modtagerlandets og afsenderlandets myndigheder skal bistå hinanden med at foretage alle nødvendige undersøgelser af lovovertredelser og med at indsamle og forelægge bevismateriale, herunder foretage beslaglæggelse og, hvor der er anledning dertil, udlevere ting, der har forbindelse med en lovovertredelse. Udleveringen af sådanne ting kan imidlertid gøres betinget af, at de tilbageleveres inden for et tidsrum, der fastsættes af den myndighed, der udleverer dem.
